“ I was very saddend of the news of my Aunt's passing. I give my sincere condolences to her family. I will remember her always as a very nice lady and a good friend and confidant to her older sister Agnes, my mother. My fondest memory of Aunt Mary was when I had a chance to visit about five years ago. She was as perky and cheerful as always, and went out of her way to make me feel at home. Love you Aunt Mary!

“ *Nancy & I were so sorry to hear of Mary's passing. She was a great lady! I shall always remember how kind she was to all the "Gallagher Rats". She lived next to the alley where we played kick-the-can, but never complained about the noise. Really, I think there was a lot of "kid" in her, even into her later years. I shall, fondly, remember Mary!*

“ *My heart and prayers are with all of you at this sad time. Mary was a beautiful, sweet lady. I have many special memories of the few times we were able to be together. Seeing her enjoying herself on the dance floor at Tom and Laura's wedding was a special treat. Mary will be deeply missed. With love, Noreen*

“ I am so sorry for the loss of such a special lady. I know that over time geography and finances had a lot to do with us not seeing you all more and spending time with grandma. I send my apologies that I could not make it there for the service. I tried to be there with a lot of effort, however it was more difficult then I expected. Our hearts and prayers go out to you all in this time of loss. You and grandma will be in our thoughts this week and holiday season. Thank you for your tireless efforts, time and love that you showed in caring for grandma. I have to believe that she must be happier. God Bless-Love, Katie and Chris
