“ I rember your mother at my mothers' 100 birthday. Mary Kiefiuk. It was so nice to see them sitting together with some other 90 year olds. Please accept my condolences. Unfortunately, I cannot attend the funeral due to previous commitments and doctors appointments. My mother is now in a nursing home in Romeo. She is going downhill fairly rapidly, and we have called in hopsice to give her some extra attention. My prayers are with your family.

“ Jim, I read of the passing of your mom. What an incredible life she must have lived. Though I did not know her, I did know she was loved and respected by you and your family. You were blessed to have her for so long. Linda R. Barber
