“ I dated one of her grandsons. Mary and I would sit at her kitchen table and just talk about all kinds of things for hours, there was never a dull moment with that woman. Even though I have not talked to her in years I know I could pick her voice out of a crowded room. Her and Nate were the perfect example of the old TV show the "odd couple" but the love they showed for one another were my favorite memories that come to mind. She will be missed. I hope everyone is well. I was going through my old photos last weekend and found this one, to help bring up so old memories that I still cherish to this very day. Mary and her family were ALWAYS so nice to me and treated me like a member of the family. My deepest condolences to you all. Sincerely Delanah
