“ Karen, Dave, Danny, and Michelle, I will always remember Aunt Arlen's brilliant sense of humor and positive attitude. The last time we saw her and Uncle Tom, we fished in their pond and I recall her endless big smile and laughter. I really admired her full of energy and fun-loving nature. She was the most easy-to-talk-to aunt that I've had; she had no hesitation to talk to me being an Asian. She was simply natural at making everyone feel comfortable and want to be around her. We will miss her dearly. We are sorry that we can't be at the Memorial but our thoughts and prayers are with you. Tomoko & Bob Pelky

“ Dan - You are a wonderful, caring person. You were there for your Mom right up until the moment she left to celebrate her "New Beginnings." Selfless love is the most treasured gift one can give and you gave your Mom that. For a moment in time you will be apart, but not forever. Until you meet again, take pride in everything you did for her and all those special moments you were able to share. The way you took care of her and the way you care for your Dad are true labors of love. Our condolences, Dan, to you and your family. You are a treasured friend and I'm sure your Mom would agree when we say...a treasured Son. -Hugs-

“ Dear Dave, Melissa & Family, It was my pleasure to meet your Mom and many other members of your family the first year you emceed the BFAC event. After that every time I saw her we would chat about all kinds of things and she was always so sweet. After her bout with cancer, we discussed being fellow survivors. She always seemed to have a good time wherever she was and whatever she was doing. She was such a wonderful lady and I know she was close to all her children and grandchildren. She loved you all very much. I am so glad I got to know her a little bit over the years. Please know that you are all in our thoughts and prayers during this difficult time. Lots of love from the Lamb Lange contingent. xxoo

“ To the Arlen Family I have known Arlen when she worked at Mape Lanes Golf Course and she dated my brother in law Ed Glorio. We have always kept in touch. I will always remember the Christmas parties in Clinton Twp. They were so much fun. Even after her back surgery she came to John's funeral on crutches. What a loving caring person she was. When you look up to the stars, one will be brighter because it will be Arlen. She was very special as you well know. May it comfort you to know her family was everything to her and she was so proud of all of you and you were all loved. I am sure you are as fortunate as I was to have millions of happy memories. Rely on them to help you through your grief. May the love of family and friends bring you comfort and peace. Love Barb Glorio

“ To Arlan's Family: I golfed with Arlan for just a few years at Rammler, she loved to be there. She always showed up regardless of her diagnosis, I was very glad to have known her. I also had a chance to attend the " bras for cause " this year with her too and found that to be an enlightening experience. Sorry for your loss.
