“ I will never forget the memories of visiting with Grandma and Grandpa. My Dad was always great about taking us to visit growing up. I loved sitting at the round table eating her treats chit chats, and playing cards. There isn't one time I ever remember Grandma with any negativity or bad attitude. I only remember goodness and love. She always made us all feel so special. I know it's silly but She let me eat all the pickles out of the pickle jar 😊. Her home was always a place for family to gather. She was a blessing to all.
