“*Marye: It was about a year ago I last saw you. It seems like last week I was quizzing you on your studies. The one word that always popped into my head when I saw you, that I used to quiz you on and say is Marye spell: "Otolaryngologist", and you would rattle it off to me. I still have the picture of us testing out my computer camera when I first got it. I never told you... you always amazed me with your energy and zest for life! A beautiful and intelligent girl who cared deeply for others & was willing to help out at the drop of a hat. A unique bright light in this often bleak world, with a special presence that touched many lives in your brief stay; I know you touched mine and I will always remember and carry those memories with me through out this life's journey. I hope God gives me the privilege of seeing you again. Until then Marye, may God and the Angels keep you in their care and provide you with love,happiness,joy,and peace. Sincerely, Judy Taylor*
