“ Our thoughts and prayers are with all of you. We have many fond memories with "Mary from Kerry." She made each feis and Oireachtas memorable. One of our favorite feis memories was at a Canadian feis where a judge gave 1st and 2nd places to girls who kept dancing even after the music had finished. She reported the judges for being deaf as a cat's ass. Although she is now at peace, she has left us a legacy of laughs, wisdom and courage. Peace be with you Mary.
