“ *In the evenings after dinner I sit outside in the warm air missing my Mother and thinking of her so very much. Sometimes not knowing what to do with this time, as I just want to pick up the phone and call because it was what I did, the normal thing to do. I could tell her all about my day and the kids and the dog. She would tell me how her day was and what she had for dinner and tell me that she misses me every day as do I. I know the day will come when I will see her again but for now my heart aches everyday missing her. "I Love You Mom, Forever-Marianne*

“Marianne I am thinking of you today and your mom with all my heart I wish I could be there for you today. If I should leave this world without a warning, and not even whisper a fond farewell, grieve not for one more message from the lips that God has stilled, but just remember me with Love and Prayers for my soul's journey To that fair land beyond life's tears. For I have believed with all my heart In its existence, and I know that God is good, for He has come to me Through the life of Him whose very Garment I have sought to touch. It may be lonely, and I hope you miss me Just a little, because I have loved so deeply My own family and faithful friends. Forgive me if I have ever hurt you And remember me for what I longed to be. Have faith that I am nearer than Your dreams and fondest longings. For the God of love shall keep all Kindred spirits close together, Through the misty vale between This world and that to come Keeps us from each other's sight. For a few precious moments. Whisper softly that you love me And it shall linger on within my soul Until you come. Say not goodbye, For on some bright tomorrow We shall meet again. Capuchin Missions May God Bless you Marianne you've been a wonderful friend, love you always, Jennie
