“ Shirlene was a great sister and sister in law. Although we didn't see each other often, we talked on the phone all the time. She was warm, funny and devoted to Lou and her family and friends. She talked about how much she loved her job, her coworkers and the patients. She will be truly missed. Rest In Peace.

“ Oh my dear neighbor! I was just thinking about Shirlene the other day and how we'd have our conversations over the fence as we were sprucing up our yards this time of year. Thank you for being one of the best neighbors (and Lou too!), and welcoming James, Katie and I so warmly when we moved in next door. I know you will be so missed by so many, but no one more than your beautiful family you loved to talk about. My thoughts, prayers and love to the Wood family. Thank you for sharing Shirlene with us! Much love, Lisa Kroll, James, Katie, Lindsay, Hayden and Rocco
