“ *Mrs. McDaid was always a friend to my mother Velma Cusick. Velma and Ira had eight kids and I know that mother always appreciated her support. Also we knew that we couldn't get away with much on our block because Mrs. McDaid always knew what was happening! I know she is now free to move to her new neighborhood and will be as great a gift to them as she was to us.*

We trust that God has taken MaryLouise to a better place and that she will now be watching over all of you just as you have done for her these many years. She was a great asset to LaSalette in those early years and many have been blessed by her kindness. Her memories will surely live on in the hearts of many. God Bless all of you.*

“ I will always remember Marylouise sitting on her front porch waiving hello to me as I came home. She was always very welcoming and had something to say about the days activities on the block. She graciously opened her home for our large family reunion one year because she came from the old days where neighbors knew each other and watched out for each other. When she made cookies she would always share some with us. The McDaid's are part of the history on Griffith and will be missed.

“ *When My Husband Chuck Ward and I one of the Greenlee clan of Calif. Married in 1980, Chuck was in the US Coast Guard and stationed in Mt Clemens Michigan on Lake St. Claire. Thinking we knew no-one in Michiagn, my mother informed us that we did indeed have a distant cousin who lived in Berkley! Mary Louise Mc Daid welcomed us into her home and family arms with generous love, warm kindness, and always a smile. She and I have exchanged Xmas Cards for over 27rs. and she, I know, will be greatly missed. Cheers to you Mary Louise, you will now always have the best view of the Detroit Thanksgiving Day Parade! God Bless to all, BJ Ward Greenlee*
