“ Prayers and blessings for your family here on earth, Uncle Mike. Your passing leaves a big empty place. May memories of you and your love live on always and make your leaving a bit less difficult for those here who mourn your passing.

I have some neat childhood memories of you when I was growing up in Detroit and Warren. Thanks for my childhood nickname - Mom said you gave it to me so very long ago. Enjoy your celebration arrival party in Heaven. Give my mom and dad hugs from us, and all your brothers and Grandma and Grandpa too. Much love, Maureen (Tessie) and Rich
