“ Dear family of Matthew,
my name is Dieter Leier and I used to live at 4003 Edgeland in
Royal Oak, Michigan.
Matthew and Pauly were my best friends during the time I lived
there until August 1966, when my parents, Kurt and Maria and I
moved back to Germany.
While browsing the internet and looking for acquaintances and
friends of that time, I found this page and I'm very sad to here about
this.
I also found some notes and the adress of Matthews parents,
George and Carol.
I would be very happy if we can come in contact, at least per e-mail
and perhaps we can share some common memories.
Here is my e-mail adress: dieter-leier@t-online.de
Thank you in advance and best regards
Dieter
