“ We lost your Dad today Matt. We know that you were there to greet him. We sat with your Mom tonight and will do everything to make sure that she is taken care of. Your Dad has not been the same since you left us so we take solace in his passing knowing that you two are again reunited. We miss you both dearly.

“ I've been Matt's next door neighbor for 33 years and have basically watched him grow up. Without fail, he always had a friendly hello or wave. I will always remember him as a very kind, gentle person, and I will miss him so much. Rest in peace with the Lord.

“ To my good friend that was willing to lend a helping hand no matter what the task my have been. True freinds are hard to come by & when you are fortunate enough to have one like Matt he will never be forgotten. My condolences go out to his family & all his good buddies. I hope in the "after life" we can hook up & bowl one last time in that great bowling alley in the sky. I'll miss you brother.

“ You will always be in our thoughts and prayers and we will miss you so much, your kindness and gentleness will never be forgotten. There was never a time you didn't come up and give me a big hug and kiss when we would be at a family gathering. I am thankful for the 43 years we had you with us. Watch over us from above and we will see you in heaven. Love, Aunt Sharon and Uncle Dick

“ Matt wasnt just a best friend, those words dont come close to describe our relationship. Matt is my brother. When Mick told me Matt had passed i felt such sadness, but then i started to remember playin baseball in the street or football on the lawn or just hangin out playin video games in his basement. Theres many good memories of good times shared with him. If we do go somewhere when we die, im sure he'll be waiting for us, see ya soon brother, till then you will be missed and in my thoughts

“ Losing someone you love is never easy and it is even more difficult when it is unexpected. As I see my husband ~ your brother, and our children struggle to come to terms with your loss I only hope you know how loved you were by your family, extended family and friends alike. I will always remember how kind and loving you treated Mary and Jonathan and we will make sure Madalynn will grow up knowing who her Uncle Matt was. I will always remember you being a gentle soul and I will take comfort believing you will look out for us from the heavens.

“ Matt was always a great guy to me, he treated me with respect, and for that i will always remember him. We didnt get to spend much time together but I will always remember the ride we had out on christmas and how we talked the whole way. I didnt get to know you as well as my sister but i do know you always treated her like a princess and that i always admired. I know you loved all of us so much and i wish you had more time to watch us all grow up, but now i know you will be watching from up above, helping and guiding us. Im grateful for the great times we had, im gonna miss you so much. Love you

“ I miss my uncle alot I remember when he would take me to the Sterling feast every year., and to the movies it is going to be very hard knowing that I cannot hug him any more , and my sister will not be able to know him like I do he was a very great uncle I will never forget his love to me I keep saying our love will never end because it will never will. We both had a very special place in our hearts for each other. I loved him very much and he loved me very much to. I know that God needed him up in heaven for many reasons mostly to watch over the familey . One more thing if every one could keep him in your prayers. Thank You. I love Uncle Matt and never forget that. Our Love Will Never End.
