“ I have fond memories of Matt from when Paul and (we) his college buddies would come to lathrup or the lake house. He would always be there to razz us and give us a hard time. We gave it back to him but he kept us on our toes.....if you know, you know! Matt was impressionable on me because I good see the older brother in him with a good soul that was at the time hard on the outside and soft and gentle on the inside. I saw his inside plain as day! 🙏

The news of his passing is being shared with his classmates from U of D High School. I knew Matt from then and also his visits to me and my Mom to Troy Beaumont during various stays while she lived. He was a great nurse and kept her mind off her situation - which eased the stresses there. Rest in peace Matt.

So sorry to hear of Matt's passing. I recall the time when Mary Pat and Matt drove that 6 wheel ATV to the property at night after his car broke down. Hilarious times, fantastic memories, thank you Matt for the laughs.

I was deeply saddened to hear about Matthew this week. My family is praying for all of the Somerville family. Matthew and I shared many adventures together from Spring Break in the Florida Keys, Camping in Northern Michigan, as well as the times he visited me in Dallas to watch a Red Wing game. There was no one like him and I will miss him greatly !
