“ So sorry to hear of Mo's passing. While we haven't kept in close contact over the years, I still remember fondly all the good times we had bowling and playing cards. I hope the family will find peace in all the great memories.

“ Mark-To you, your family, siblings and all your relatives, as well as your wonderful professional family I've seen and met over these last few years, I send my sincerest condolences for the loss of your sister, Maureen. Even though I didn't know her well, I always enjoyed the few minutes I would speak with her on the phone or in the office. She was kind and concerned, helpful and professional, and had a good sense of humor. She, too, became part of my extended family during my time of need. I, too, will miss her when I come into the office. May you all feel some comfort and peace as you receive others' prayers and caring messages, and may Maureen rest in peace.

“ She was also a wonderful sister to Sue Burns who passed away 2 years ago. They both created a home that was filled with warmth. Their door was always open to anyone. Countless nights of talking and laughter on the back deck will what I remember most. Mo you will be truly missed by all who knew you and loved you.
