“ To the Tomlinson and Reid families, we are both Cheryl and I very sad to hear of your loss. Maureen as we new her for a bit of time during our lives was always cheerful, remembering outings like the comedy jam at the masonic, stevie wonder live at another venue, christmas parties, our wedding with many scenes in our video having both Maureen and David dancing so smoothly as they were both excellent dancers, and showed such with great smiles on their faces as they were having fun. Also, we frequented the Comedy Castle where Maureen worked and welcomed us in her joyful manner as she always seemed to display. May God be with you all in this time of sorrow. Mike and Cheryl

“ Mo was such a great person. We were locker partners at Our Lady of Refuge. I recall such wonderful, fun times with her playing softball, sleep overs, and always laughing our butts off. What a loss for her family and the community. With love and peace, Teri Rosenberg

“ I was sooo sad to hear of Maureen's passing. I thought for sure she would beat the disease. In our high school mock elections, West Bloomfield class of '77, Mo was named the "Most Spirited" . How fitting, considering her drive and involvement in her community. I am sure her "spirit" will live on in all who she touched. My deepest condolences to the entire Tomlinson and Reid families. “ I send my condolences to you - the family of Mrs. Reid. I did not know her, but read of her death in The Oakland Press and know she was a woman who made her family proud and who will be missed! I read with interest of her involvement with the schools in Berkley because my first years of teaching over 50 years ago were in Berkley at Hamilton School - now named Rogers - and I found it a very good place to teach. I left Berkley to teach in Waterord, and at Schoolcraft School one year I had a bright little guy, named David Reid, in my second grade class. I wondered if you know that David - - ? I know that Mrs. Reid will be remembered by many in her community- I admire her accomplishments and want you to know that my heart goes out to all of you. Janet Ellis Holm
