

Maureen Morrison

June 14, 1961 - January 20, 2026

Maureen "Mo" Ruth Morrison, 64, of Royal Oak, Michigan, passed away peacefully on January 20, 2026, following a courageous five-year journey with cancer.

Born on June 14, 1961, to Daniel and Sharon Morrison, Mo was raised in Livonia, Michigan, alongside her eight siblings. From an early age, she embodied strength, deep compassion, and an unwavering sense of loyalty that would define her throughout her life.

Mo was a fiercely devoted friend and family member-someone you could always count on. She had a heart of gold and an innate ability to make others feel supported, heard, and cared for. She found joy in painting and spending peaceful moments immersed in nature. For many years, Mo coached softball with Special Olympics in the metro Detroit area. Her dedication and experience were appreciated by the youth as well as their families.

For 45 years, Mo dedicated her professional life to Beaumont Hospital, serving in the communications department. She was widely known as a trusted resource and steadfast advocate, often guiding family and friends through the complexities of the healthcare system with patience, empathy, and determination.

Mo was preceded in death by her parents, Daniel and Sharon Morrison, and her beloved sister, Annie (Jim, still living) Wroblewski. She is survived by her closest friend and confidant, Judy Bedrava; her cherished siblings, Mark Morrison, Dennis (Mariellen) Morrison, Trisha (Mark) Rajt, Daniel Morrison, Kathleen Fannon and Shannon Morrison; her goddaughter, Bre (Jeff) Bacile; nephews Kyle (Lori) Wroblewski and Patrick (Amanda) Wroblewski, and niece Sarah (Cid) Dabaja; great-niece Hannah Wroblewski; great-nephew Jaxon Wroblewski; and many other treasured family members and dear friends. Mo will be remembered for her kindness, loyalty, resilience, and the countless lives she touched simply by being herself. Her legacy lives on in the love she gave so freely and the strength she showed every day.

Memorial services will take place on Wednesday, January 28, 2026, at Wm. Sullivan & Son Funeral Home, 705 W. 11 Mile Rd. (4 blocks E. of Woodward), Royal Oak. “ I didn't become close with Mo until after high school. Graduated a couple of years ahead of her but she became a good friend later. She helped me a couple of times with a breast cancer event for Gilda's Club. She was fierce in her friendships. I take comfort in the thought of her up in heaven playing softball with my sister in law Mary.
RIP Mo.
You touched so many lives

“ *Maureen was an integral part of both the Clarenceville gymnastics and softball teams. I was her coach. So many fun memories... She was kind, helpful and loyal. Aside from our athletic experiences, we line danced when I moved to Texas and she came to visit! More recently we ate pie at Darrow's with Jude in Mackinaw City. I never lost contact with Mo. I was so proud that she involved herself with Special Olympics. Mo was a generous soul; I'll miss her. My sincere condolences to her loved ones and friends. And especially- thank you, Jude.*

“ *Maureen was such a special person. Her warmth, smiles and gentle support was shared with all. We can't bring back those days when we were all together. That friendship chain is now broken, but memories in our hearts will last forever. The wind is now beneath your wings my friend. Until we meet again may God hold you in the palm of his hand.*

“ I got to know Maureen a couple years ago at work. We would cross train each other and I got to quickly learn how kind she was. Even in hard struggle she was still thinking about others. It was a pleasure to get to know Mo!

My precious, Mo (Tess, Jr.) was one of the kindest, calmest people I have ever had the pleasure of meeting...I met her at Beaumont...she took her job at Beaumont very seriously, she took the people she helped even more serious...her smile could change your harried day to calm...and nothing changed when she left work, everyone she came into contact with she made feel special...Mo (Tess, Jr.) you will be missed but never, ever forgotten...rest in peace beautiful angel...

“ Even though your sister was a couple of grades after me, I remember her very well...A very friendly and affable person. I know she will be missed. Truly, very sorry for your loss. She would have been pleased to know I donate to the Special Olympics each and every month AND God bless her for taking an active part in the lives of those very special people.

“ Mo had a grandma like kindness about her, in a 40 year old body. She had that calmness and tender guidance that radiated around her whether you met her for the first time or everyday. Meeting her 26 years ago in the Communications Dept at Beaumont, she always smiled and was able to laugh, even on the worse days. She was a warrior battling her cancer to the point of exhaustion. Her body gave in, but her spirit never did. Enjoy your Peace MO ❤️
