“ I am so sorry to hear about the passing of Maureen. What a beautiful person she was! I first got to know her when our daughters attended BCM together. She was such a kind, loving and energetic teacher. Lately, I saw her many mornings at the BHC in the pool...she just loved to jump up and down in the water always smiling her beautiful smile and waving hello. I am blessed that we were able to re-unite after so many years. She will be missed. My sincerest condolences to Allison and Stuart. God bless you Maureen.

“ Over the past few weeks, I’ve found it impossible to conjure comforting words for Maureen’s family in the face of her sudden sickness and death. Whether that’s because I regret not having seen Maureen in many years, or because I’ve been silently awed by the eloquent sentiments of her countless friends, I don’t know. What I am certain of is that, a long time ago, in a different place, Maureen blessed many more people with her trademark smile, caring ways and fun loving spirit. Time and place pale against the memories. Although we have not all shared our thoughts and sorrow, I hope Stuart and Allison find comfort in knowing that we were proud to call her a friend, too, and we loved her very much. She was the same honorable angel then, as now.

“ Our children attended preschool at BCM and Maureen was a much beloved teacher. We know she was adored by many in addition to our little ones. At parent-teacher conferences this year, Maureen was her usual happy self -- so proud of Allison and looking forward to spending time on the homefront and traveling. We loved hearing "Hello, Young Lovers" from The King and I at the service -- our thoughts are with Stuart and Allison and all family, friends and students at this time. -Mary Margaret O'Donnell & Pierre Choussat

“ Maureen was truly a wonderful person and friend of mine. I will miss our chats about the latest books we've read, movies, walks outside, working out and those spontaneous lunches! She was so proud of Allison as we discussed our families. I am honored to have been one of her friends. I will miss you Maureen. I know you'll keep a watch over Stuart and Allison!

“ I am truly saddened by Maureen's death. Maureen was more than just a friend; she was an amazing person. She was always so kind and considerate. To be greeted with her warm and beautiful smile was very special. Maureen and I worked together on a hospitality suite and we had many good laughs and long conversations. Maureen was a great listener. We had so much fun we agreed to do it again this year. Her passing will not only leave a void in our lives, but in the hearts of everyone who knew her. Maureen's memory will always remain deep within my heart. My sincere thoughts and prayers are with you. With deepest sympathy, Barbara Lemke

“ Maureen was a sweetheart. Our daughters were in Grove's High School band together and we enjoyed their friendship and bonding over drums. Allison also studied piano and being a former piano teacher gave us a more kinship over piano and Allison's teacher Mrs. Chan. The Rudicks and the Lassers went on many vacations together. Maureen and I enjoyed our shopping trips to Niagara on the Lake. We always went to the different outlet shops frequently. I did not realize Maureen was so sick until she was pretty far gone. I will always regret not spending more time with her over the last 5 years. She had many great qualities. I will really miss her. carole lasser

“ Maureen was the beloved teacher of our grandson, Zephyr Rooks, at BCM. Zephyr lives in Japan but was Maureen's student last fall and winter. He loved her kind and gentle ways. Zephyr was especially delighted to see her when shopping at a nearby market and greeted her in every aisle. We are so grateful for her friendship and tender loving care. She holds a special place in our hearts as one of his first American teachers.

“ *Such a gentle soul. Her smile and calm demeanor were always a gift she shared with those she met. Maureen was a true daughter of God and she exemplified her willingness to give only the best to each of us. As Mother Teresa said, "Let no one come to you without leaving the better and happier." Maureen witnessed this every day of her life. I was so blessed to call her friend. If love could keep her alive, she would still be here. But love let her go, so she could be at peace.*

“ *I am so grateful to have known such a caring and loving lady. Although it was only a short time, it was a special memory. Kind and with a generous spirit, she will be greatly missed. I have learned important lessons from her as she shared her experience and wisdom. She is with God, healthy and learning the answers to the questions we have all asked. I am grateful for the assurance that we will all be together again some day and that those who have gone on before us are with us always.*

“Maureen's smile and her pausing to say, "Well, ..." as she thought about just the right way to phrase a reflective comment are memories which I will long cherish. No matter how busy she might be with school or family commitments, she always had time to listen to someone who needed an ear. Her wisdom and the humility with which she shared it have enriched my life. I will miss her dearly. May her family and loved ones find comfort in knowing that she touched many lives in a positive way.

“I am so saddened by the news of Maureen's passing. She was a beautiful person inside and out. Full of love and life and joy. I knew Maureen through my sister Marcia, and always rejoiced when I had the chance to see her while visiting MI. Sending much love to all of her family.

“Wow, this all happened so fast. I'm very sorry for all of you. It is quite hard to imagine life without Maureen. I often had the pleasure of exercising with her in the water at BHC. She was always so positive and cheerful. I especially remember how she always smelled wonderful, with her love for Aveda products. We would share new stuff to try out. I will really miss her and cannot imagine how difficult it will be for her family. She will be watching over you.
