“ I have been blessed with having known Maxine for over 35 years. I was about 10 years old and she was with my grandfather Roy way back then. The first thing I remember about meeting Maxine was how much fun it was to be around her! Even My friends back in grade school would be excited to see Maxine in the stands of our basketball game. She just had something about her! She always made me feel very special and I always felt as though I was part of her family. I shared a lot of great times with her, either staying over at her house or when she would share Christmas day at our house with us! I learned a lot from Maxine, stuff that I use every day. One thing that really stood out to me was her GREAT relationship she had with my grandfather; they were the happiest couple I have ever seen. That is still true today. Maxine has still been able to influence me as a married adult with three children of my own. She taught me to enjoy life more and savor the moment you are currently in. I will always be grateful to her for that. We talked on the phone and I would enjoy listening to her stories about her family in Tennessee and her trips back there. She would forever talk about Matthew and Jennifer and I could almost see the gleam in her eyes. I will miss our conversations! I love you Maxine. Jerry and June, thank you for taking such good care of her. She will always be with me! Keith

Please know that you are in my thoughts and prayers while you are going through this sad time. I am so sorry I cannot be there for you, as I'm in Illinois with Jackie while she recovers from her surgery. She sends her love to you. Always know that Ken and I are just a telephone call away if you need us. My heartfelt sympathy and Love to each one of you. Kathy

“ Hello, I'm a friend of Jerry Allen. I only had the pleasure of meeting Mrs. Cullenbine once, but will never forget that day. She talked about her husband's sports career for well over an hour and included stories of her son Jerry. I give your family my deepest sympathy and will keep you in my prayers.

“ My son, Roy Rock Cullenbine, just called to let me know of Maxine's death. I am in Arizona until December, and since I will not be able to attend the memorial services, I wanted you to know how sorry I am for your loss. I will remember Maxine as a proud woman, mother and grandmother, who always spoke highly of her son and daughter-in-law. She readily accepted and included her extended Cullenbine family and I always appreciated her kindness to my son. My sincere condolences. Liz Schoebel Cullenbine
