“ Our prayers go out to the Ripple family. We were neighbors of theirs when we lived on N. Vermont in Royal Oak. Our children were born very close together and played together all the time. We have very fond memories of Meg, Mark, Stephanie, and Karl. I was so very saddened to hear the news of Megs passing. I had breast cancer myself close to ten years ago so I can relate to all the terrible treatments and waiting and worrying. All so very sad! You will all remain in our prayers and hope that your memories of all those happy times will help you through this very rough time. Sincerely,

“ Mark, Stephanie and Karl, I cannot even put into words how to say how sorry I am to hear about Meg. For years I listened to Meg talk about her wonderful husband that she adored and children who meant the world to her. I truly cannot remember a conversation with her that didn't involve her family. Mark, you were a sincere devoted, loving husband and she knew it. You gave her a beautiful life, and two beautiful children. I hope you find peace in the comfort of knowing that she not only loved but felt deeply loved by you.
