“ To my big brother, what i will miss most of all is our talks at work. And your devilish grin. But most of all your kind heart. You were loved by so many. And things will be so hard without you. I'm glad the good Lord took you quickly so you didn't have to suffer much. I promised you that I will look after Patti and your kids, and I will do that to the best of my ability. I will always have you in my heart and my thoughts. See you soon in heaven. Tell Mom I said Hi. Love you

“ It was by chance this morning that I saw the notice in the newspaper about Mike. I was so saddened to see this news, that a man so young can be taken away so soon! I only knew Mike briefly back in the early 80's when we worked together at the now-defunct Alexander Hamilton. I remember Mike very well though as well as Dave Franklin, Ollis Henderson and others there. Mike was a good guy to work with. My prayers and condolences to his family. -Dave Best
