“ *My brother did many things in his life, and although he would have liked to be around longer I know that he valued the friends and family that he loved. He took great pride in his work, his daughter, and had a good sense of humor. He helped others and was helped by many. Thanks to everyone who attended the Memorial. It was a great celebration of his life! I think that it was an event that was almost like a family reunion...*

“ *I pray for the peace of God that passes all understanding for Michael and his family at this very sad time. I have such fond memories of a beautiful blonde-headed boy and handsome young man with many wonderful skills. May time replace the heartache with many cherished memories. With deepest sympathy and love,
