“ Dear Aunt Audrey, Scott, Todd, Lisa, Kyle, Kayla, and Ella I am so lucky to have been able to share so many good times and to have so many special memories of Uncle Mike. What a great uncle, and truly dedicated family man. Such a devoted and loving husband, father, and grandfather who loved and cared for his family so much. You were all so important to him, that's all we talked about the last couple of visits we had. He was such a proud grandpa. He is so deeply loved and cared about, and don't forget he's not missing out on anything he is watching and smiling down at all of you from heaven. We love you all you!

“ It is so hard for me to accept that he is really gone... I expected or hoped that he could pull it off one more time.... Mike was always there for me, I couldn't have a better "big" brother. I know he will continue to watch over all of you. I will keep you in ny prayers and I will do anything I can for you. Please don't hesitate to ask. His family was his life. His final task was to make sure Audrey was moved into the condo and closer to Scott and Lisa and the grandchildren. He will cheer them on in everything they persue. Audrey, thank you for making his final days so peaceful. He was so happy to be at home, surrounded by all those he loved.

“ Audrey, thank you for giving Mike a peaceful quiet environment and loving care for his last days, it was a loving way for him to draw his last breath. Scott and Todd, Mike loved you and was very proud of you, always remember him and his love. Lisa you were the daughter he never had, he loved you as though you were his own, that says it all. Kyle, Kayla and Ella, you were the reasons your Grandpa lived as long as he did, his Grandchildren were his world. Remember him with love. Mike, my big brother, time was not always on our side. I was a little girl when you left home for college, then you married. I never knew the man as well I would have liked, but big brother, you always held a place in my heart and always will. I love you Mike.

“ I worked with Mike for many years and considered him a long time friend. Even though our lives went in different directions after Farmer Jack's, I enjoyed our occasional lunches together. I am filled with sadness to hear about his passing but know he is in a place of peace. Our family sends heartfelt condolences to Audrey and all of your family.

“ Dear Audrey, Scott, Todd, and family: Harry and I are so sorry to hear of Mike's passing. We have so many wonderful memories of the good times we shared over the summers in Caseville with your family and Bobbie and Tom's. When we think of Mike, we have to smile and remember all of those happy times. We know that the most important thing to Mike was his family, and anyone who knew Mike knows that is true. He left you far too soon, but he will always live on in your hearts. We know he's looking down on everyone now, hopefully on a warm, sunny beach and having a good chuckle or two. He was a good man, and we are glad we had the chance to know him. Our thoughts and prayers are with all of you. Love, Linda & Harry & family.
