“ Mike, I've tried to write this many times but kept failing so I'm just going with my heart. You are already missed by so many. Thank you for always welcoming me and my family into your home. Thank you for always making me laugh, even second hand stories thru Britt made me crack up. Your jokes, cracks and comments were truly one of a kind. Everytime I see a garage, I will involuntarily think of you. I really think God brought you and your heart to my work a few weeks ago on purpose. Your heart is and always will be so strong. I'm so sorry I couldn't pray you better. Like I promised Jodi, I promise you that I will be Britt and Ava's guardian angel for you. Please know your smile, laughter and voice will be cherished and deeply missed. We all love you, The Atkinsons/Neis/Flaherty family

“ I loved the day I came up to visit you and Carolyn at the house. It was beautiful out and you, of course, were surrounded by friends and family. It was always easy to be at your house - you were funny and kind - sometimes irreverent and always helpful. My heart hurts for my little sis Britt and Ava, they loved you so much. Thank you for them.
