“ Ever since I was a little boy I always looked up to my older cousin Michael. I would look out my grandparents' front window during holiday gatherings waiting for Michael to show up and my Aunt Lee saying "don't worry Jamie he'll be here soon". Years later Michael restored and painted a Plymouth "Cuda" for me that I was so proud to own. To this day my old friends still talk about me having the coolest car on the Eastside. (Thank you Mike). Later in life I would run into Michael here and there and catch up on stuff, always saying we should get together sometime...I guess time ran out. I was very proud to be your younger cousin.

“ *On behalf of the Capuchin brothers I offer my deepest sympathies on the passing of Michael. It is truly humbling to receive memorial donations in honor of his life. Please be assured of the brother's prayers for the entire Dawson family during this great time of grief. May perpetual light shine upon Michael.*
