“ My vivid memory of Michael is that he enjoyed being on the soccer field. You could see that he enjoyed the game and the fellowship of his team mates. I am sad that he has left this earth so young. He is now an Angel for his family and friends. Our sincere condolences to the entire Frick Family. -Bartolomeo & Gleason Family

“ Mike was the life of the party. If you heard his laugh you instantly knew it was him, & you couldn’t help but laugh along with him. So selfless that you didn’t even have to ask twice, if you needed something he was already to it, trying his hardest. Loving, loved with all his heart towards everyone.. made sure everyone else was okay and never let anyone worry about him.. I’m so thankful to have been apart of his life, & I couldn’t thank him more for loving my best friend the way he did. I will never forget you.

Brother of mine, not one time did I ever think our friendship would be cut short and taken away from the both of us. I love you and thank you for every word you've ever said to me and everytime you made sure I was okay. I'm just lucky enough for both us to say I love you for the last time. “ *Michael was the most warm hearted person I've ever come across in my entire life. He ALWAYS took very well of all of his friends including myself. Whether, if he were to spend the last of his money on the both of you, or just needed a friend in general, he was there. Michael was such a character. He was loved by and forever will be loved by so many. We miss you buddy. Ball up in heaven for us. You will forever be with us in spirit, & you will definitely NEVER will be forgotten. This isn't goodbye, this is I'll see you again. I love you Frick.*

“ *Michael was the type of man. That if he only had 1 dollar he's share that 1 dollar with you or spend it on you to eat. Mike was the greatest human. He had the greatest smile. He was loved buy so many people. As one of his closest friends I can say we lost a great soul. Mike will never be forgotten and we as all of his friends and family will carry on his legacy. His spirit and soul will travel with us and he will always be with us. Even if I'm all around the world he will still be there with me. I love you mike and I miss you so much. - Zach yerkovich*
