

Michael Gibson

October 29, 1972 - February 23, 2021

The beautiful, gentle soul of my husband, Michael Gibson, of Oak Park, MI was tragically and unexpectedly taken from us on Tuesday, February 23, 2021. He was only 48 years old. Michael was a dad first and foremost in life and husband; he was also a son, a brother and a friend to all who knew him. He was most generous with his time; as he could almost never say “no” to anyone. He was funny, charming, hardworking and had a love for the great outdoors. He took care of his family and loved them with all he had. His most favorite thing was taking our family on adventures. We never knew where we would end up, and he would say, “Sometimes the most fun is the ride to nowhere!” So many adventures and good times.... Born October 29, 1972, Michael grew up in Berkley, MI, where he played sports, had tons of friends and graduated from Berkley High School. In 1992, Michael enlisted in the Marines, where he served for 8 years. He then joined the Hagopian family and worked for them for the past 25 years. Michael was my person, my husband, my love and will be forever missed. He leaves behind, myself, his wife, Renee and our children, sons Greyson and Tanner, daughter Skyler, who were his whole heart and world. Michael is also survived by his parents Linda and Robert Gibson, his sisters, Dawn (Mike) Sorgatz and Lisa (Rich) Borella, his brother, Robert (Nicole) Gibson, mother-in-law, Darlene Hermann, brother-in-law, Derek Hermann, and all his beloved nieces and nephews; predeceased by his younger brother, Christopher Gibson. Michael was taken from us much too soon, and will forever leave a hole in many hearts, but will forever be my

heart. We love you!

“ *Michael, It's Jamie DeRusha. I know I'm speaking to you as if you can hear me, and I do believe you can. I spent my 6th grade year at Anderson middle school. You were the first friend I made at Anderson, and You became my brother. I spent many a weekend sleeping over at your house, and we had so much fun at the Berkley movie theater, and bowling alley together. We would wake up on Saturday morning and watch wrestling, then go head into town to meet up with Jason Mckinnin and gang. I lost touch with you when I moved to Rochester with my father, but came to hang out with later on in my mid teens. I moved to FL. almost 30 years ago and recently moved back home to MI. I had friend requested you on FB a couple of years ago and never got a response. I was afraid I would find out you were no longer here on this earth with us. My condolences to the Gibson family, and if his parents and or his siblings read this, You all treated me as family, and my heart breaks for you and the loss of Mike. If you are trying to remember who I was, my mom owned a limo company in Detroit. I'll love you forever brother!!!!!!!!*

“ We were loyal clients of Hagopian BECAUSE of Mike Gibson. He has been our "carpet cleaning guy" from our first home that we built 25 years ago until our most recent downsized home. He was beyond a professional and represented his employer to the "nth" degree. We would look forward to hearing about his latest adventures with his family and what his kids were up to. We are just devastated to hear of this news as we just called to request him for Spring cleaning. We just wanted to extend our deepest condolences and to let you know how much we appreciated his professionalism and his kind heart.

Thank you for your kind words. Michael was very lucky to have such wonderful customers (he truly knew each one of his regulars as friends). It was what made him so special. This is is sister Dawn and though this was written some time ago, I am reading these for the first time after 6 years. Thank you again,

“ I believe he is an Angel and had those qualities. I felt it when I met him. I'm so sad for his family. He was a very good driver. It's hard to believe. He was careful when he pulled up to the cabin in making sure that no pets were in his path. He was joyful and kind.

“ He cleaned my carpet at my log cabin in white lk many times. He was kind and loving and spoke of his family so much. He loved going north where they played. He understood pet stains as he had dogs too. He was heartbroken when his brother passed. I will always remember Mike Gibson. Joanna Folland 248 820 1777. His family must be heartbroken
