“ You will be deeply missed by many - aunt, sisters, nieces, nephews, cousins and their families. Our time together was too short. Your birth parents will finally be able to hold and hug their son. All our love, Aunt Pauline and family

“ Dear Mike, may you find peace and rest. As cousins, we grew up together; to this day your sister Jeanne is one of the people I treasure most in my life. I remember the kindness and friendliness you showed toward me when I was just your little kid cousin and you seemed all grown up to me. The last time we were in touch was after your mother, my favorite Aunt Natalie, passed away. You have left us too soon but I am grateful that your health struggles are over. I have a candle burning today in your memory with hope in my heart that your soul is blessed. Your cousin, Rita

“ Uncle Mike you will be so dearly missed. I am so glad that I had the opportunity to meet you and spend some time with you. You always had that wonderful smile, it reminded me so much of Grandma. You brought so much joy to this family and we will all be eternally grateful. Give Grandma a big hug from me. Love you. Michele

“ Michael you were a wonderful surprise to the Comiskey/Comisky family. It was such a joy to watch your face as you met so many of your step cousins in Brantford. We feel so honoured to have had that opportunity to meet you and to share in many e-mails over the years since the reunion. RIP Michael - Herb and Janet Comisky Denton Canada.

“ My big brother Michael, what can I say but you were the greatest addition to our family in June 2007. It was also great to know that you shared a Christmas birthday with me - what a joy. The many Christmas, Easter and summer time holidays, birthday parties, Canada family reunion and sports events we spent together were priceless. I know you are without pain and at peace now. Your sons, Michael and Steven, were blessed with the most giving, caring and honest Father. Please look down upon all of us who were blessed to be in your life. Love, Carol

“ We only got to know you 7 years ago but you were a part of our family - a big brother that we never knew we had. I know you will meet your mother and father up there and you will have a lively discussion about your new 9 sisters and 1 brother. Love you Mike and I have loved being your sister! Arleen
