“ I only worked with Mike for a year and a half but I felt like I knew him my whole life. Mike had the same type of dry sense of humor as I and he made me laugh. Mike was a great family man and was a very genuine person. I was shocked the day I heard about his passing. I will miss him. My heart goes out to his family.

“ Eileen, Matt, Julie and Melanie, I just found out today about Mike. I am shocked and very sad. Brad and Kim are too. Kim says she just saw Mike a few days ago at Boston Market, as she so often does. I always liked Mike. He was a very good man and a great dad. This time of year will always make me think of him, because I know how he so loved his gardening. I know he will be missed greatly by all. I wish I could have paid my respects, but I didn't know. I'm sorry. God Bless you all. You are all in our prayers. I know this is a very tough time for all of you, but if there is anything we can do for you, please don't hesitate to let us know. I want you to know that we do miss you and think of you often. Debbie, Brad and Kim MacKenzie
