“ My precious Michael, I loved you as much as if you were my own, I will always remember you jumping on my furniture, "swimming" in my bath tub and coloring Easter eggs at my kitchen table but most of all the unconditional love and respect you always gave me...may God hold you in the palm of his hand and until we meet again take Jaclyn by the hand, give her a kiss for me and laugh and smile knowing you were and always will be well loved. Love, Rene

“ I have been trying to find the words for days now, and cannot. As a only child growing up, you were my little brother. I have so many memories of us growing up together. From playing on the floor of Grandma and Grandpas basement for hours to hanging out, late night, watching wrestling, while our parents partied away. I always remember, towards the end of those nights, hoping for just a few minutes more. I would give anything, now, for just a few minutes more. I love you FOREVER, my cousin, my friend, my BROTHER.

“ Dear Ron and Mary, I was so shocked when I read about your Son, Michael. Life doesn't always go the way we plan. My prayers are with you I cannot even imagine the sorrow and pain you are experiencing. May God give you the strength to carry on. Michael left you with 3 granddaughters to give you love and comfort. He is up in heaven watching over you and is at peace now. All My Prayers are with you and your family. Beverly Altovilla

“ Mike, It hurts to know you are not here physically. But i find peace in knowing you are in heaven with mom. Im sure you two are having the time of your lives catching up. I miss you so much already. I prayed everyday that you could push through this....and i know you tried very hard. Being proud of you is an understatement. At least now you have no worries, no pain, no evil and you have faced our creator...something we are all down here striving hard to do. I love you Mike, i hope you knew that. Tell mom i said Hi. I'll see you soon. Love, Kris. Your biggest fan.
