“ We are heartbroken 💔😞. We've been blessed to know the Kondek family for many years, and have created many great memories. Where do I begin.....let's talk about Mike's ability to be a little kid with my girls when they were young! How often do little girls look so forward to having their parent's friends come over? 😊🤔❤️ Mike would sit with them on the floor, play games, watch Sponge Bob, make up silly songs, and take a drive with just them, over to see their elementary school! We vacationed to Disney, to our cottage (complete with tubing for all!), and an amazing golf trip to Ireland for the guys (that we all bid on at an auction! Wow, what a great deal!!). We had great dinners together, swims in their pool, and our New Year's Eve tradition of crab legs and good wine. We will all always treasure our great times and great memories. Love you lots Mike. “ I first met Mike when he came to Wolverine Lake to be our treasurer. He was a great treasurer, but an even better person. Thank you, Mike for all that you taught me over the years. You made even more difference for the better than you may have known.

“ Heartfelt condolences are sent to Mike's family. I had the privilege of working with Mike at the City of Royal Oak, taking minutes for the Farmer's Market Committee. And, if it were not for him, we would have not had the awesome Thanksgiving potlucks when he cooked a turkey, in his office, that filled the halls with the aroma. He was a great guy with an amazing sense of humor. May he rest in peace. Janet Killius

“ I have funny memories of Mike trying to disrupt high school girl talk while I visited Lisa after school or on weekends. Just like the typical big brother ... but he always made me laugh. Lis, we go way back and these are some of the memories that stick with me! Mike will never be forgotten and will be truly missed, having left this earth to young.

“ I met Mike in 1998 when I was employed at the City of Royal Oak, we quickly became friends and enjoyed many rounds of golf, many golf trips around the state, and had the ultimate golf trip to Ireland. Our families became close and enjoyed countless sushi dinners together. Mike adored my two daughters; Ruth and Rachel as they grew up before our eyes. Mike used to take Rachel driving on New Year's Eve when she was in her early teens. My girls loved Mike and were so sadden my his sudden passing. Mike was happiest and proudest when he was with his grandchildren. Mike's life was too short but a life well lived. God Bless you my friend.

I got to know Mike through golf. We played many rounds together at the "Suwannee" and the hockey golf outings. He was part of my foursome for many years. He was a great guy and I always enjoyed his company, and bantering back and forth about politics-always in good fun. He will be missed by many people. God bless you Mike, and God bless and comfort those grieving family members who loved you very much and will miss you....

I met Mile in 1983. He was my first encounter with doing business with city hall. A small "dust up" over a parking ticket! Mike and I had the same love - the Detroit Red Wings! His large poster of the Production Line hung in his office. He gifted me with one of the city's OLD parking meters before he retired. I still have it. Diane, this is a shock. I will so miss that big smile! God Bless and many hugs.
