“ Please accept our condolences on Michaels death. We learned about it too late to attend his service. We said a prayer for him and for the family on the lot across from our cottage. We planted some beautiful lillies there also. Again we are so sorry for your loss. If you are ever in the lake ogemaw area please stop by and see us. Rick, Cathy, Mike and Jon Adamski

“ Although I didn't truly know you as an adult man, I remember you vividly as a baby visiting your Aunt Magdalen's (my mother's) house. I remember as a teen myself at the time that you were one of the most beautiful, vivacious babies I had ever seen. Your smile and laugh were absolutely contagious. The few times that I saw you as an adult, you always lit up the room. You are a beautiful soul Michael and your presence here will be sorely missed.

“ There are so many good memories of my times with Mike it's hard to pick just a few. Growing up as kids we had countless good times at family parties and it was all ways great to see my cousin and friend. We all ways had fun where ever we were because how could we not Mike was all ways fun to be around. As we grew older I could all ways count on Mike to greet me with a smile and a hand shake as soon as he saw me. With all the memories I have one of the best has to be when Mike came to stay with me up north for the weekend. We had so much fun! Off roading in my jeep with Mike was great taking him to all my hang outs in the woods of Cheboygan county. He and I spent time at my favorite local bar Thirstys and he was able to meet many close friends of mine. Long after his visit many of them asked how he was doing and told me what a cool nice guy they thought he was and how they enjoyed meeting him. Our trip to the casino was also great and Mike took very well to the black jack table with some help from me. Being so busy with work it was great to spend all that time with him up here. Mike will be missed very much but all ways remembered.

“ The best for last. As your favorite Aunt Mary Alice, I had the joy of watching the four musketeers grow up together. The Power and Malley kids were going back and forth all the time according to their Moms' work schedules. As the oldest, Mike wanted to be the boss, but he couldn't compete with the Julie/Katie juggernaut.

Remember the trips to Red Oaks? The birthday parties? Staying at Skidway Lake? Us picking you up at St. Louis? And our dinners out with you, right through this spring?

You were so good to the most senior members of the family--always calling Aunt Bernie, visiting Grandpa Pare', and remaining so faithful to Grandma Malley. We know you had a big welcoming committee of great aunts and uncles, three of your grandparents, and especially your dear Dad.

Uncle Dave and I were always grateful to you for talking us into taking our 25th anniversary cruise. "The thing is..." you insisted as you talked us into cruising over a travel/hotel plan.

Mike, we will always love you.

“ I will deeply miss my good friend, Mike. I had the pleasure of knowing Mike for 10 years. Mike was such a caring individual. When Community Living Services first came to Oakland County, a smaller group then it is now, Mike and I put together a Christmas Party at St. Vincent Ferrer Catholic church for all the folks CLS supported with disabilities. A fun time was had by all, and largely due to all of Mike's help. Mike was very proud of that, as well he should be. He would remind me of that party often. We all will miss him here at CLS/OC. My thoughts and prayers go out to his family during this time. May you find comfort and peace in the coming days, in knowing Mike was loved and admired by many.

“ I got the pleasure of meeting and working with Mike 3 years ago, and what an incredible individual he was. His humor, smile and ability to make everyone in his life feel good about themselves was so unique. I will truly treasure the time I got to spend with him for the rest of my life and miss him dearly. He always had a compliment and a joke ready for me and stories to tell me of all the people he cared for in his life, which was many. He had a giant heart of gold and while God gained a treasure two days ago, we lost a special friend. I'll keep him in my heart and try to spread as much love and goodness as he did. My deepest sympathy's to his family and loved ones.

Mike made me laugh. He was always fun to be with. I'm so glad I had the privilege of knowing him and will never forget all the fun we had with James at Cedar Point.

I will miss Mike and his warm sense of humor. I will keep Mike and his family in my prayers.

“ Mike did not have an easy life in many ways, but one area where he excelled was in his love of family. Besides his immediate family, this love includes his aunts, uncles and cousins. I'm fortunate to be Mike's aunt. Whenever we'd talk on the phone he'd fill me in on the news from all sides of the family- Malley and Pare'. He did have a great memory and shared all the details of what was going on in people's lives. He loved to talk, but he also listened and ask questions about what I, his Uncle Kevin and cousin Sean were up to. Whereas most of us are too busy to take the time to show how much they care, from his easy chair in his family room he showed so much love to me.

One of my favorite memories is a trip to Las Vegas a few years back when we met up with him and his mom. While Pat walked the entire Strip, Mike , Kevin and I enjoyed the awesome pool. Mike and I spent hours in the lazy-river until our skin was totally pruned. We talked endlessly (well, he did most of the talking), which made this an enjoyable and exceptional day for us to share. Uncle Kevin and Mike went in the wave pool together, which Mike said was one of the coolest things he'd ever done.

Mike enriched all of our lives and we will miss him very much.

I love you,

Aunt Sue (your "Other" favorite aunt)

“ Mike's awesome. For example he had an exemplary memory. Whatever he had experienced he could draw from in detail, no matter how long ago. People, places, things, travel, he could tell you who, what, when, where and why. If I did some work on the house, he knew who had previously done something about it, when, and how it was done. That let me know to do it right. I studied the family photos as Mike gave me some insight into his life up north, which he loved, and his family which he truly treasured.

Mike is priceless and a gem. He made my life better by being there.

Thanks Mike and lots of love. From one January Michael J. to another.

“ Mike always had a smile on his face and was always looking forward to his next adventure. I had the honor of being his favorite aunt (don't tell all his other aunts that). I remember our many family celebrations and trips to casino Windsor, where we always had fun even if we always lost money. Mike was a big fan of Michigan football (me too!). I hope they have football in heaven because I know Mike will be rooting for the Jim Harbaugh era. Mike loved his family a lot and was so proud to become a Godfather earlier this year. If Michael was your friend, he was a friend for life. He loved to tell stories and always had a ready laugh at other people's stories. Many times my phone would ring and it would be Mike checking in because he hadn't heard from me for a while and he just wanted to be sure I was ok. I'll miss you, Mike, my nephew and my friend.
Love always,
Aunt Louise
