“ Oh Mike,

*I'm so sad to hear of your passing! I had heard that you have been sick for sometime, I'm glad you don't have to suffer any more.*

*I know your kids are going to be so sad! I pray that they find strength to say goodbye and joy in all of the wonderful memories of you.*

*I also know that you are reunited with Diane and your Dad who have been waiting patiently for you! I'm glad you guys are together.*

*My thoughts and prayers are with your Mom, Brothers, Children, and Grandchildren.*

*To me you were a quiet big brother who loved your family unconditionally. You weren't judgmental and you were kind.*

*Thank you for making the world a better place while were here.*

*RIP Mike and May God's light shine perpetually on you!!!*

“ I remember growing up in Utica with all of you and oh the fun we kids had! Mike and his brothers are my first cousins, but were like brothers to me and my sister! I loved him so much and will miss him! My heart hurts for all of the family right now and my prayers will continue to be sent to you to get through this rough time!
