“ *I remember the time the four of us went to Edgewater Park and Mike and I got talked into going on the ferris wheel (which we didn't like) by Wanda and Gene. I hated it and so did Mike. But when we got off I swear Mike was about green, and felt terrible.LOL!! OH the fun times we all had.... memories we will always have. Praying for you all. God Bless. Love you all*

Mike was in my yard looking at my husbands chicken coop and said it was big enough for him to live in.

*When Mike and Wanda lived in Newberry a few years back, he had a red fire hydrant at the end of his ramp. So my husband Joe deemed it necessary to make him a palmation dog lifting it's leg on the plug and I was honored to paint it for him. Rest in Peace , Mike. Wanda you and your family are in our Prayers.*
