“ I am sorry to hear about the passing of Mike. Mike was in my 7th grade Social Studies class at Jefferson Middle School. I remember him as kind young man with a good sense of humor. My thoughts and prayers are with your family. Karen Gallina

“ We have never had the privilege of knowing Michael; however, we have grown to love his mother, Diane, and know how much joy she brings to our life. We can well imagine her son has some of her spark and goodness. We are shocked and incredibly saddened to hear of Michael's passing. We will pray for Michael's family and wish all of you to know how very much we care and are here for you. Big hugs.

“ We were just in shock when we heard the news of Mike's passing. It doesn't seem that long ago that Mike was part of the group that I used to pick up after school and give a ride home back in Middle School and early high school. He hung out regularly at our house & was always laughing & joking. He was always a sweet guy. Only had a few opportunities to talk to him these past few years - mostly on facebook. Our deepest sympathy to your family. Our prayers and thoughts are with you. Dorothy, Stephanie, Chris & Kurt Paetzke

“ I spoke to Michael just one time, to tell him he had an excellent work ethic. He had worked on the side yard I share with his father.
