“ Jody, I just found out about Mike. I haven't seen you in years but I often think about the fun times I shared with both of you when we worked at Comerica. I am sad to hear of your loss.

“ Jody, Kristen and the Roeder family, we are sorry for your loss. We're sure Mike has a special place in heaven with those who battled so courageously. Bless you for your care and loving during his fight. I remember a fun coworker at NBD and a great softball competitor. Barb and I always had a terrific time in our euchre group, where we occasionally completed a game or two in between the gabbing. Love, Dick and Barb

“ Jody, I know how rough it's been for you and Mike these past few years while he battled ALS. He's gone to a better place where he won't have to fight any more. You and Kristen will continue to be in my prayers and please don't hesitate to call me if you ever need anything. Stay strong, get some rest, and find comfort in friends/family.

“ My condolences to Mike's family. Much too young. Although I haven't seen him in years, I remember Mike as a good guy -- and a good ballplayer. If there was anyone that would have put up a courageous fight against such a disease, it would have been him.
