“ *My mom and his (and Jean's) mom were friends.....way back in the day. They were in the hospital together and I think it was when Jeanie and I were born. If not, some reason that they were sharing a room. Sorry for the family's loss. Too young.*

“ I had the pleasure of getting to know Mike and Christine over the past year. As a home care physical therapist I spend a great deal of time with people when they are at their lowest physically, mentally, emotionally, and in some cases spiritually. When I face that moment in my life I can only hope and pray to be as kind, generous and genuine as Mike was during his lows. No matter how much pain he was in, or how much fear/anxiety he had about his situation Mike always welcomed me with open arms into his home. That speaks volumes for the type of man Mike was. In his darkest hours he was still able to convey the love he had for others. Mike will always hold a special place in my heart!

“ First, I would like to send the whole family my deepest sympathy in the passing of Mr. Reiterman. I was not one of the fortunate ones to have met Mr. Reiterman personally. What I am 100% sure of is that he was obviously a wonderful and caring man. How I know this is through his daughter, Sheryl. She has wonderful qualities. She is caring and generous and has a strong work ethic and and I am proud to call her a good friend as well as co-worker. I believe a person gets those qualities from being passed down from their parents. This is how I know he was obviously a wonderful father, grandfather, husband and friend of many and I am sure will be missed dearly.

Sincerely,
Kelly V.
