“ *Dear Dan, Judy, Len, Lynn and Aunt Gertie, and families My Uncle Mike was one of my favorite uncles for many of the same reasons that your wonderful grandchildren loved him. His gentle eyes and kind and loving way. He was always very loving and interested in what we were doing with our lives. I know my dad, loved him so much and I know they missed each other. They are now together and enjoying eternal life with Audrey and all of their siblings, without pain and sorrow. God Bless you and your families as you journey through your healing. With love, Kathy, Barry, Erik and Christine*
