“ *I'm so very sorry that Mike has passed. I worked with him on and off for close to 10 years or more. They kept transferring us around so it's hard to tell how long we worked together. Each time we crossed paths it was always a joy to work with him. He was always a gentleman. I will never forget the joy of finding Mike at my husband's funeral. His son David drove him 4 hours North to Petosky at the age of 91 to be with me. There were very few people at the funeral as most of my husband's close relatives have passed. I was having a terrible time getting to MI from TN and the sight of Mike when I walked in brought me to tears. I had hoped he would make it to 100, but I guess it wasn't in the cards. May the Lord welcome you home and just remember, I'll be seeing you over there. Save me a spot.*

“ So very sorry to hear of Uncle Mike's passing. He was a Chrysler man for many, many years. He stopped by to see me at work at Chrysler on a few occasions and always was a friendly and loving Uncle. My condolences to Aunt Polly and the rest of the family. Rest in peace Uncle Mike.
