“ *My Grammy my heart my Angel. I have so many memories with her. She is and always will be my heart. She was the strongest, sweetest and most loving woman in this whole world. She was always there for me and always telling me how much she loved me and how proud of me she was. I am so broken now without her. The one thing that brings me peace is to know she is at peace and reunited with my Grampy. I have two Guardian Angels watching over me now. Grammy I miss you so much more then any words can express. I will continue to make you proud. Rest In Peace my beautiful Grammy my Angel.*
