“ *Mom, You gave me everything I had ever wished for; you will truly be missed. Your dedication to the upbringing of Christopher and me will be expressed by our success in this world. You touched many by providing wealth and happiness to friends, family, and even people who you hardly knew. You were always thought of as the "cool" mom from all of my friends and will never be forgotten. I will always remember your famous words spoken to me before leaving to go somewhere: "Be good. Be safe. Be careful." Love, Stephen*
