“ Tom, Whenever I would see and talk to you at Diesel, you would always ask me how my wife, Robyn was doing. We found out she had breast cancer about the same time you and Michele found out 12 years ago. Michele is now in a place where there is no cancer or pain. Love, Chris and Robyn Santa-Coloma.

“ Tommy and Michael, We cannot tell you how sad we are with the loss of Michele. She was an amazing women. I still remember her watching for me at your football games at River Forest and see her waving her hands so I could find her. She was still guiding so many of us with her smile and telling us to come visit and making room for us at the table and in her heart. She will be missed, but I know that she will still be guiding many of us with the strength and faith that she showed these last years. We love you. If there is anything we can do, please let us know. “ Michele, You are the strongest woman I know. I remember meeting you for the first time when Tom brought you to meet our very large family. How overwhelming that must have been. You took it all in stride and opened up your heart and home to all of us, never missing a birthday, a baptism, a wedding, a confirmation or any special occasion. You captured every occasion on film to share with all. Thank you for being a great wife to Tom and the best mother in the world to Michael. Thank you for allowing me to be a part of you life.

“ Oh Michele, where do I start. My memories of you start with Brandon. The way he was with you always made me smile. Then, I spent more time with you through all the wrestling events, and the events with the family, and saw what Brandon saw, angel. You were always smiling with a smile that would light any room. You always made me feel like one of the family. Your home was always so beautiful, and you were always the perfect host. God has truly blessed all of us, and anyone who spent five minutes with you knew what a special person you were. I will miss you Michele!
