“ *Michelle was a heck of a woman who would give you here last, put you in your place if, you got out of pocket and loved her family & friends...I had the pleasure of working with Michelle at Pasquales for many years and although, she was only 10 years older than me, she ALWAYS gave me good advice and looked out for me...*

*To know her was to love her without a doubt. My condolences to her family and all those who know and love her, I'm sure your heart is bruised, your spirit feels low just know, her beautiful spirit and life will always be remembered as long as you keep her memories alive*
