“ Mike, my “lil bro” always and forever. You will always have a special spot in our hearts. Words cannot express how much we will miss you. You will always live on in our hearts with the so many great memories we have together. Even though we have had some time away, we will always cherish the moments we had together. You will always be remembered as “Tetin” (uncle) Mike to Julian and Andrian. They loved their Tetin Mike so much.
