“ I grew up around the corner from Don and Mary Ellison and we always did so many things together because my parents Bud and Doris Seighman were friends with the Ellisons. I grew up seeing Aunt Millie at all the various Ellison parties and get togethers. Over all these many years I've continued to see Aunt Millie at get togethers I've attended for Bonnie and her children. I can't remember a time in my life when Aunt Millie wasn't around. She will be missed!

“ A very special Aunt, whom I called Millie. She has been an important part of my life since I was a child. She Married my Uncle Johnnie at the Shrine of the Little Flower. Her home was always a welcomed place for me. Holidays, Dinners and Picnics and visiting were enjoyed by many. As a young mother, she made beautiful clothes for her four children, Kevin, Robin, Jimmy and Patty. Her sewing machine was always set - ready to sew . .for her granddaughters she made "Barbie's" clothes. We had so many good times that were shared. As the years passed, there were also sad times. Aunt Millie's, sincere, quiet, strong acceptance taught many of us to be stronger, when we were faced with adversity. She was grateful and thankful for each one of us. We had our "little" vacations and many outting's that were enjoyable and of course sharing Birthday's dinners. Our scrabble nights at her house. .were serious. . and fun. . I will miss her . . My Love be with you . . Till we meet again.....

“ To the Liddy family: I am sorry to hear of the passing of Aunt Millie. I had always enjoyed speaking to her at the family gatherings. She always had a kind word and I don't think I ever heard her complain about anything anytime that I saw her. She is a woman who will be missed.

“ To Robin, Patty & all who were blessed to have known Aunt Millie: Knowing that Aunt Millie is in a better place and reunited with so many loved ones helps lift the sadness of not being able to see her any more in this life. For now, I'll cherish a lifetime of memories of this loving, creative, independent and thoughtful woman who I am so proud to call my Aunt. She lives on in my amazing cousins and their families and in my mother and my family and my sister's. I'll continue to see her smile, hear her wit and feel her love whenever I encounter one of those whose lives she touched. I Love You! Cherie

“ *My heart aches from the loss of my Grams! You were a very special woman and meant so much to me! You taught me the importance of the arts! I will always remember the way you used to tell me bedtime stories and make me my favorite dishes everytime I came over. In my heart forever! Your first little pill! Shannon*
