“ *My condolences to the Nickerson family. My beloved Dad and Mom, Joe and Kitty Falcon, were good friends of your dear parents. I remember meeting your Mom as well as your Dad at the many parties my folks had. Your Dad was always at the gas station my Dad had in Detroit. Your Mom was a wonderful lady and was never without a smile - how could she be with such a humorous man as your Dad always by her side. They are together now and are at peace. Please know we are thinking of you at this sad time and hope in time the memories you all shared will lighten your hearts once more. Peace. Janet Falcon & family*
