“ So many memories keep Aunt Millie close in my heart. She gave Mike his first taste of being ‘behind the mic’ (and taped the session) as she watched us two when Mom and Dad moved to our new home. She shared her love for Tigers baseball with me; taking Martha and me on the bus (for \$.25 fare) to Tiger Stadium. Ernie was always on the radio. Many Pine Knob concerts were enjoyed and so much more. She had a lot of energy and spunk and brought much laughter to family gatherings. Her kitchen always produced something good to eat – homemade strawberry pie and peach cobbler, zucchini bread or pancakes, just to name a few. If only our Mom would let us have some! Aunt Millie was a great advocate for Mike and me, either taking on her sister or would just sneak us some when Lottie was not looking! She was a devoted sister to Mom throughout her life. Uncle George would constantly bring more and more...and more vegetables into the kitchen from their bountiful garden; you couldn’t see the counter.....”George!” She made the best ‘Dilly Beans’. Mike especially loved them and she always brought a jar or two for him. Thank you, Aunt Millie, for the wonderful memories, for your unconditional love, and for you! Love, Lorraine (& Larry)

I loved your aunt as if she was my own family.  
We lived next door to them for my first ten years of my life.  
Them and Grandma were the best neighbors I have ever known.  
I think about them often, and pray for them 🙏🙏🙏

“ I'll always remember Martha's Mom as a happy and generous person. I have many fond memories of her (and George and Grandma) at the house on Appoline with their dog Tippy. She loved baseball and always talked about the Tigers. She loved to feed me with 'Roasties' one of her favorite breakfast foods. There was always lots of laughter and fun when she was around. If more people in the world were like Millie the world would be a much more beautiful place. It's always the beautiful one's that are chosen for God's garden. And I'm sure now Heaven is a much more beautiful place because she's there.

“ Millie was our wonderful neighbor for 46 years and we will miss her terribly. She had a wonderful sense of humor and always had a twinkle in her eye when she would talk and joke around. She was fun and upbeat and just a nice person all around. Heaven is a better place now.

“ *I will always remember Aunt Millie's smile, laughter and the loving, caring and generous person that she was. She always found the good in everyone! I will truly miss her, and Fred says he will miss her zucchini pancakes too! Love, Claudia and Fred*
