“ *Mary Lee will truly be missed. I think back to the days when Fred and I helped Tom and Karen, but especially Mary Lee at Dukes Fish & Chips. We would deliver the carry out orders. Mary Lee, Karen and I bowled on a team and we all got matching shirts and pants and the other members of the league thought we were high rollers and where going to beat us up in the parking lot. So many memories that go so far back. The parties that we would go to at the VFW with Barney and Mary Lee. Barney was the one who sponsored Fred into the VFW. She always had her hair done and her make up on so perfectly. She will now go into Eternal Life and we will be left with wonderful memories.*
