

Mirjana Popovic

July 15, 1939 - October 1, 2024

Dr. Mirjana Popovic (Mimi), a devoted pediatric physician for over 40 years and incredible mother and grandmother, passed away peacefully on October 1, 2024, at the age of 85. Born on July 15, 1939, in Belgrade, Serbia, Mimi's life was a remarkable journey of service, and dedication to her patients and family.

Dr. Popovic earned her medical degree from the University of Belgrade, where her passion for medicine and healing took root. Dr. Popovic cared for patients by doing what was best for her patients. The world would be a better place if more physicians practiced the same way.

In addition to her clinical work, Dr. Popovic was passionate about education and mentoring. She inspired countless medical students and residents, instilling in them the values of compassion and dedication that she exemplified throughout her own life. Her legacy as a mentor and role model will continue to influence future generations of healthcare professionals.

Outside of her professional commitments, Mimi was known for her love of cooking, and spending time with family and friends. She was known for her lavish spreads and open doors. She found joy in hosting gatherings and sharing with those around her.

Mimi is survived by her beloved children, Katarina and Stevan (Christina), and her cherished grandchildren Maya and Vivian, who brought her immense joy.

A Celebration of Life for Mimi will be held on October 10, 2024, between 4-7pm, at the Daxton Hotel in Birmingham, Michigan. In lieu of flowers, memorials appreciated to a charity of your choice, Mimi was passionate about veterans, children, and animals.

Mimi will be deeply missed, but her legacy will continue to inspire all who had the privilege of knowing her.

“ Dear Kaca and family; Over the years, I have heard so many wonderful things about your mother as a person and as an MD. I wish I had known her. Kaca, you are a lovely testament of her as her daughter. As I know as well, taking care of parents is emotionally intense at times and yet such an honor, such a way of showing love and gratitude. I feel for you in this time. I send my love and support to you, Kaca and also to your family and close friends. I know you all will hold her deep in your hearts the rest of your days. I am sure many were blessed by being touched by her in their lives. Peace and healing be with you. Much love, Yvonne Stumpf

“ So sorry to hear of Mimi’s passing. I remember one of the first times I met her she had us over for dinner. She was an incredible cook and hosted with ease. She then started a hilarious dinner conversation that wouldn’t be appropriate to mention here, but I appreciated her humor. Her love for you all was evident. May you find peace in your memories.
