“ Mitch was one of the most amazing men I have ever met. He was always so easy-going & laid back. I never heard him say anything negative about anyone. Patti & Mitch were the most awesome couple, you could see the love they shared. He loved all of his Grandkids so much, they were his life. And I could never forget how awesome that he & Squirt were together. I will miss our visits & smokes together. You have left a space in Patti's heart that no one could ever replace but, we will always be here for her just as you two were always here for us. Love you, Mitch...Fly high with the Angels!

Mitch was the best friend I ever had. We shared many times together at work and on our boats and riding down dooby lane. I'll miss you Buddy. You were a great guy with a laugh of your own. God has a place for you in his kingdom. Ride your bike in the heavens.
